

Annex 2

Self-Declaration Form for (Prospective) EuroPriSe Experts: Declaration on Proficiency, Reliability & Liability Insurance

First Name, Family Name

Company Name

I hereby declare the following:

A. Proficiency

Legal Proficiency

I hold a **university degree in law** at an EU- or state-recognised university

Yes

During the last three years, I acquired at least 12 full working months of professional experience in legal aspects of EU data protection.

No

I have excellent knowledge of EU data protection law that I can prove to the EuroPriSe Certification Authority (CA) at any time. During the last five years, I acquired at least 20 full working months of professional experience in legal aspects of EU data protection.

Technical Proficiency

I hold a **university degree** at an EU- or state-recognised university, dominated by subjects such as **computer science, technics or mathematics** or involving the obtainment of a **relevant protected title (e.g. “engineer”)**

Yes

During the last three years, I acquired at least 12 full working months of professional experience in technical aspects of EU data protection.

No

I have excellent knowledge of technical aspects of EU data protection that I can prove to the EuroPriSe Certification Authority (CA) at any time. During the last five years, I acquired at least 20 full working months of professional experience in technical aspects of EU data protection.

A brief overview of my relevant legal and/or technical professional experience (distinguishing between different occupations (if applicable) and including information on time frame and share of privacy related tasks in the overall professional activities) is attached to this form on page 3.

I have **not** been **dismissed as a data protection officer** (e.g., by a supervisory authority) due to failures in expertise,

B. Reliability

I have **not** been convicted of a crime during the past 5 years,

I am **not** subject to an ongoing criminal investigation,

I am **not** subject to previous or current insolvency proceedings,

I am **not** subject to previous or current enforcement proceedings.

C. Declaration on liability insurance coverage

I currently have or

I will have before assisting a certification customer in preparing for a certification according to EuroPriSe

sufficient liability insurance coverage for possible damages resulting from my respective activities.

Place, Date

Signature Expert

Attachment: Overview of relevant professional experience during the last years

(please distinguish clearly between legal and technical professional experience – if necessary; you should only provide information on your overall professional activities during a certain period – please do not list individual projects or external customers here)

Time frame	Employer (voluntary)	Job position (if relevant; e.g., data protection officer)	Share of privacy related tasks ¹	Description of duties and responsibilities (e.g., ISO 27001 cert.)

¹ in overall professional activities (in percent)
